FY13 EPR Travel Projection - judy version.xlsx

Greg – in the event you return to us prior to Sept 30, can you share 1-2 trips that you will need to take this year? Must be considered mission critical. So no trips to dive in san Francisco J I know, too murky anyway. I am attaching the spreadsheet so you can see what is on it already.

Watershed & Aquifer Protection Unit

(303) 312-6395
